GIFT AID DECLARATION

Donor's Name

Donor's Address

I declare that I pay UK income tax and I wish my donations to be treated as Gift Aid donations so that the Charity may reclaim tax on them.

I understand that, for my donations to be treated as Gift Aid, I must be liable to pay an amount of income tax or capital gains tax equivalent to the tax the Charity will be able to reclaim on my donations.

This declaration relates to my current donation and all donations made to the Charity henceforth, and remains in force until I notify otherwise.
